Cures Eczema, Itching Humors, Pimples and Carbuncles—Costs Nothing to Try

B B B (Boric Blood Balm) is a certain and sure cure for eczema, itching skin, humors, scales, water blisters, pimples, aching bones or joints, boils, carbuncles, prickling pain in the skin, old eating sores, ulcers, etc. Botanic Blood Balm cures the worst and most deep-seated cases by enriching, purifying and vitalizing the blood, thereby giving a healthy blood supply to the skin. Heals every sore and gives the rich glow of health to the skin. Builds up the broken down body and makes the blood red and nourishing. Especially advised for chronic old cases that doctors' patent medicines and hot springs fail to cure. Druggists sell with complete directions for home cure. To prove B B B cures samples sent free and prepaid by writing Blood Balm Co., Atlanta, Ga. Describe trouble and free medical advice sent in sealed letter. 1m

It is said skin for grafting brings 50 cents per square inch and that a person in sound health might lose 20 square per month without suffering ill effects. Here is a chance for some get-rich-quick grafter to teach by mail every man to operate his own skin graft in spare moments. Ten dollars a month for a little off-hour skin isn't so bad. This in conjunction with the declaration of Miss Talbot, of the Chicago university, that three nourishing meals can be served for 10 cents, should put the anti-poverty society out of business.

Praise Your Wife.

Praise your wife, man; for pity's sake, praise your wife when she deserves it! It won't injure her any, though it may frighten her some from its strangeness! If you wish to make and keep her happy, give her a loving word occasionally. If she takes pains to make you something pretty, don't take it with only: "Yes, it is very pretty. Won't you hand me my paper?" It will take you only a moment's time to kiss her and tell her she is the best wife in town. You will find it to be a paying investment—one which will yield you a large return in increased care and willing labor for your comfort. Loving praise will lighten labor wonderfully and should be freely bestowed.

Why Winchester Democrat says on the subject: "Col. H. P. Thompson has under cultivation about one-third of an acre of ginseng. It is raised under lattice work as it requires partial shade. When properly cultivated, it is said to be enormous. The seed sells from \$100 to \$150 per pound, and the yield from an acre of the roots is said to be very large bringing several thousands and dollars. Col. Thompson began with wild roots procured from the mountains; and although he lost a large portion of his crop of seed last year, he was offered more for what was left than his whole expenses are up to date. He would not sell but preferred to plant and increase his acreage."

Breeders of Herefords in this part of Kentucky will be interested in one of the largest cattle deals ever made in Ky to a single purchaser, consummated at Eminence last week by Giltner Bros. to C. E. Clapp, vice president and general manager of the Crucible Steel Company of America, with headquarters at Pittsburg. Mr. Clapp has figured with the leading Hereford dealers on both sides of the ocean and found no cattle that could compare with those of the Bluegrass State. Mr. Clapp secured Aerobart, a 9-year-old bull, at the fancy price of \$3,500. This is the highest price known to have been paid in the world for a Hereford bull of that age, with two exceptions. He also secured fifteen females, ranging in price from \$350 to \$600 a head. The total purchases amounted to nearly \$10,000. The cattle were shipped Wednesday to the stock farm of Mr. Clapp, which is located at Berryville, Va.

TO CURE A COLD IN ONE DAY Take Laxative Bromo Quinine. All druggists refund the money if it fails to cure. E. W. Grove's signature on each box 25 cents.

A bloodless shooting affray occurred in Jackson as the result of taunts cast at Stewart Hager by South Strong. The former put a bullet through Strong's coat and later defied arrest. When Deputy Sheriff Noble attempted to arrest Hager an exchange of shots followed and no capture was made.

DISAPPOINTED

J B Stouffer, of Richmond had Little Faith in Promises until he Found a New Friend.

It is a great disappointment to a person suffering from so serious a disease as kidney irregularities to be able to get no relief from the use of cure-alls and specifics which promise everything but do nothing. To such a disappointed man, Doan's Kidney Pills come as a friend in need, for they always do the work. Read the statement of B Stouffer, the well known gentleman of High street who says: "I have no doubt that I had kidney trouble of the most aggravated form. The pains across the small of my back were most severe and the accompanying irregularities of the kidney secretions most annoying. I tried many medicines which were claimed to cure just such cases as mine in quick time, but they did me no good. I had just enough faith left to give Doan's Kidney Pills a fair trial when I saw them advertised. I got a box at L. M. Mielton's drug store and thoroughly tested the remedy. As a result of this test I can conscientiously give the pills my hearty endorsement. For sale by all dealers. Price 50c. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's and take no substitute. 1m

A Starling Test

To have a life, Dr. T. G. Merritt, of No. 1000 Pennsylvania, Pa., made a startling test resulting in a wonderful cure. He writes: "A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles, so I prescribed them. The patient gained from the first, and has not had an attack in 14 months. Electric Bitters are positively guaranteed for Dyspepsia, indigestion, constipation and kidney troubles. Try them. Only 50c at all druggists. 1m
